ARIZONA VASCULAR SPECIALISTS COPAY POLICY

Thank you for choosing Arizona Vascular Specialists for your surgical needs; the physicians and staff are committed to providing you with the highest quality of care. In order to serve you today, your insurance policy requires our office to collect your assigned copay at the time of your appointment. As your condition requires continued medical attention, our office will assist as best we can to accommodate your needs and ensure your health care requirements are met. If you do not have or are unable to pay your copay at the time of your appointment, please work with our staff in rescheduling your appointment at a time that is convenient for you. As our office will no longer provide statements for assigned copays; we request your assistance in following the compliance measures mandated by your health insurance policy. For patients with a high deductible health insurance policy, this amount will be collected at the time your surgery is scheduled. In consideration of your time and your physician's, our office requests 24-hour notice to cancel or reschedule your scheduled appointment. Any cancelations or rescheduled appointments that do not provide 24-hour notice will be assessed a $25.00 fee for office visits and $150.00 fee for office procedures. We appreciate your consideration and are available to answer any questions.
